Re: Miess v. Port City Trucking

Dear Mike:

I received your voicemail concerning your client's offer. Neither Mr. Scheider nor Mr. Huffman have the money to pay the back child support now. Neither of my clients wants to get involved in a fight over who loved their daughters the most; and, as their counsel, it would not be good for the case in general. Neither of my clients should, however, be forced into accepting an agreed-upon distribution that would be unfair to them. My clients would agree to 22.5 percent and pay back child support at the conclusion of the case by settlement or verdict. We would also have to have some agreement concerning the amounts being claimed on the injury cases.

I look forward to hearing back from you.

Yours very truly,

Steve Garner
